PRIVATE SESSIONS

FOR JOYFUL HEALING

TULUM IS A LAND THAT INSPIRES
TRANSFORMATION, AMPLIFIED BY
WATER AT EVERY TURN AND USED
FOR CENTURIES AS A SACRED
LAND OF RITUAL AND CEREMONY.

It is also blessed with some of the best
healers and teachers in the world, who
are drawn to its magnetic energy.

OUR INNER JOURNEY

LET OUR EXPERTS CURATE FOR YOU

To encourage a deep yet gentle experience where you receive the most value, we offer private consultations pre-arrival or on-site with our journey designers' team, who will explore your desires and intentions and then recommend the sessions and therapists that suit you best.

We recommend doing this before you arrive or at the very beginning of your stay, so we may curate the best journey for you.

For questions or inquiries, you can find us at our Wellness Desk in front of the Gratitude Tent, or at our direct contact.

ENERGY

When you want to shift heaviness, relax the nervous system and flow into a high vibration...

CRYSTAL HEALING & LIGHT ACTIVATION

Crystals are amongst the most perfect embodiments of sacred geometry in this 3D world. The crystal is a neutral object whose inner structure exhibits a crystalline state of perfection and balance that contains ancient knowledge in an extremely high vibration. When the human mind comes into contact with this vibration it raises consciousness and opens the higher chakras, and when a crystal is placed on the body, it encourages the body to match the higher frequencies.

During this crystal session, you will experience a crystal healing, where crystals are positioned to bring balance and healing, activated not only with healing energy, but also with light, amplifying the healing properties in a very pure way.

75 min session

SOUND HEALING

Sounds can change the rhythms of brain waves, heartbeat and respiration, affecting health on all levels and promoting a direct connection to the universal forces outside of oneself. In this private ceremony, the application of sound waves is achieved with various sacred instruments, such as gongs, crystals and Tibetan bowls that will unburden the mind.

75 min session

THAI YOGA MASSAGE

Thai massage is a healing art designed to open the channels and let run the energy freely through the body. Held on the floor, Oceane combines her approach to wataflow with thai massage, guiding the body to flow in movement with soft touches, working on the energies to rebalance the physical, mental and emotional bodies. This approach allows you to enter in a state of deep relaxation. Live sound instruments and aromatherapy are used to enhance the process.

75 min session

REIKI SESSION

Reiki healing is the simplest and yet powerful form of energy healing. Wind down your nervous system and discover the deepest state of relaxation for your body and mind. In this private session, you are guided into a deep state of connection with the loving earth and universal healing energy. Your spirit guides are also asked to join the space to assist in your healing. This is a safe space to clear what you are ready to let go of as you are held with so much support. Jane Lyon uses the power of her hands and sacred intuitive touch to begin to clear and flow energy like an ocean wave of heat through your body to release stuck energy. She activates and opens all seven chakras to spin in congruence through your central channels with ease. This session will leave you feeling deeply blissed out and clear - as if you are awaking to a brand-new body with more light and more space to breathe.

75 min session

ACUPUNCTURE

Our acupuncture sessions offer a unique approach rooted in Classical Chinese Medicine, where the understanding of channel theory transcends the limitations of focusing solely on primary channels. In these sessions, we harness the power of all complementary channels to diagnose and treat not only physical pathologies but also address emotional and psycho-spiritual aspects of well-being. This comprehensive approach ensures a holistic healing experience.

During your session, you will experience a grounded palpation technique and reflex hara (belly diagnosis), allowing your body to respond instantly to changes. This real-time feedback empowers you to feel the benefits and transformations as they unfold. Our sessions are centered on compassion and free from judgment, recognizing the complexities of contemporary lifestyles. We embrace a non-dogmatic perspective, respecting individual choices and lifestyles as we work together towards your optimal health and balance.

TRADITIONAL MAYAN EXPERIENCES

When it's time for rebirth, rituals and a return
to the roots of it all

TEMAZCAL CEREMONY

The Temazcal, an age-old ceremony, has served communities for centuries as a means to connect with ancestors, detoxify the body, and initiate a joyful rebirth through the elements. Also recognized as a Mayan Sweat Lodge, this authentic healing tradition in Mexico blends alchemy with nature and intertwines songs with prayers. By its inherent nature, the Temazcal acts as a portal, purifying the body, mind, and spirit in a transformative two-hour ceremony—a captivating and powerful experience ideal for sharing with loved ones, family, and friends.

2 hr Ceremony

GRATITUDE CEREMONY

Engage in a ritual deeply rooted in indigenous tradition, tuning into the profound wisdom of the land. This experience is crafted to establish a connection with universal sources emanating from both the Earth and the cosmos. Show reverence to the four directions, pay homage to the elements, acknowledge the local land, embrace ancestral wisdom, and honor both the human and non-human aspects of existence. Tailored for special occasions, this ceremony can be curated to celebrate birthdays or anniversaries.

60 min Ceremony

ENERGY CLEANSE

Given that we are made from the same matter as Mother Earth, utilizing the four physical elements is a way of connecting us back to our roots. Each element has a distinct energy. When in balance they create the ultimate state of harmony. This 80 minute cleanse is focused around alignment, energetic healing, and aligning our 7 chakras by using the transforming power of earth, water, air, and fire.

80 min Ceremony

CACAO CEREMONY

Known by the Mayans as ‘the water that runs through the heart,’ the sacred cacao plant offers benefits of awakening creativity and strengthening awareness. This ancestral tradition gives you an opportunity to connect deeply with heart and mind, the roots of existence, the earth, the cosmos, and the great universe beyond. Set a personal intention to guide the ceremony.
